MEMORANDUM FOR: Assistant Legislative Counsel

SUBJECT: Requested Polygraph Information

1. In response to requirements by the Moss Subcommittee, the following are submitted per request. Attachments:

- a. Qualification and Selection of Examiners
- b. Outline Polygraph Training Course
- c. Questions Used in Screening Examinations
- d. Research Projects Related to Polygraph
- e. Items for Clarification

2. The above material, with the exception of the item on research, can be considered unclassified. The item on research is unclassified but must not be attributed to the Agency.

3. In regard to the oral inquiry made by you, you may inform the Subcommittee that two-way mirrors are not used and decisions are not made on Polygraph responses during a Polygraph interview but rather on resulting oral discussions based on Polygraph responses, along with the results of full field investigations and the results of National Agency checks.
